

## SUPPORT NORTHEASTS GREENEST FUNDRAISER

This is a Fundraiser, but we aren't asking you for any money! By simply choosing green energy Northeast will be earning money to support our PTO programs. It's that easy!

When you choose Viridian as your electric supplier you can save money over time and do something good for the environment while still receiving the same delivery, service and billing from CL&P. And now, being that we have joined The Residual Fundraising Program with Viridian, you can support Northeast School every time you pay your electric bill. We earn money each month for every qualified customer that pays their bill. You can help Northeast without ever needing to take out your checkbook!

### HERE'S HOW IT WORKS

STEP 1: go to [www.viridian.com/negoegreen](http://www.viridian.com/negoegreen) and click on "become a customer" in the upper right corner. Have your electric bill in hand and then follow the simple instructions

STEP 2: Sit back and enjoy knowing that you are supporting Northeast, helping the environment and saving money over time on your electric bill!

Have Questions? Call Margot Newkirchen (our Sponsoring Viridian Associate) at 203.521.7730 and she'll be happy to answer all of your questions.

Save Money Over Time. Save the Earth. Why wouldn't you?

Northeast Elementary, Viridian Independent Associate 15571

Switching to a competitive third-party supplier is not mandatory and you, the customer, have the option of remaining with your utility for basic generation service. Viridian Energy is licensed in Connecticut (Docket # 09-04-15), Illinois (Case # 11-0348), Maryland (License Reference # IR-1840), New Jersey (License # ESL-0084), New York (ESCO Code VRID), and Pennsylvania (Docket # A-2099-2145794) to serve residential and commercial energy customers. Viridian offers two rate plans: variable rates, which are subject to change based on market conditions and fixed rates which are fixed for an agreed upon number of billing cycles. Current rates should not be construed as a guarantee of future rates or savings.
