

Clean out YOUR Cupboards!

Help STAMFORD Families in Need!

- **The Northeast PTO & Student Council are holding a Thanksgiving Food Drive.**
- **All the food collected will be donated to the Stamford Food Bank and made available to Northeast families and all others in our community.**
- **It's a good time to clean out your cupboards and donate any non-perishables you are not using or wish to purchase: soups, beans, rice, pasta, spices, aluminum foil, paper goods, etc... (please check the expiration date before donating).**

When: November 2nd through November 11th

How: Give your children the items to bring to class. Teachers will have the donations put in the hallway outside the classrooms and the Student Council members will collect it.

***** Please note this food drive is instead of the collection for Thanksgiving Food Baskets provided in the past. We believe it will be easier for our Northeast families in need to pick-up from the Food Bank.***
